Ordering Your Preserved Floral Keepsake is Simple!

Starting the process is easy! You **do not** need to make any decisions regarding the design of your flowers within a keepsake until the preservation process is complete (approximately 2-3 weeks after we receive the flowers)! At that time, you will work with a design consultant either over the phone or in our Design Center to create the perfect keepsake.

To begin, simply contact us **before** or even **after** the wedding or event has occurred! All we need is a deposit and contact address and phone number information to open a file for your special flowers.

Keepsake Floral

If your wedding or event is closer than 3 weeks away or has already happened, please contact us (or have a member of your party call us) to discuss the best way to get your flowers to our Design Center safely and economically.

Upon placement of your deposit and/or receipt of your flowers, you will receive an agreement to read, sign and return which gives our designers authorization to continue with the production of your keepsake. The following issues are outlined in this agreement:

- Because keepsake creation is custom work, all sales are final.
- Upon your order placement, a non-refundable, non-transferable deposit is required.
- Cancelled orders are subject to a \$75.00 cancellation charge if cancelled within two weeks of wedding date. Otherwise entire deposit is forfeited.
- Balance payment is due upon final order confirmation.
- Each order is confirmed via phone or in person with a Keepsake Floral design consultant.
- Keepsakes should be completed within 14 weeks after the order confirmation has taken place, barring unforeseen delays in production and design and provided all items (i.e. invitation, photos, etc.) have arrived on time to Keepsake Floral.
- Storage fees and late charges may be assessed for orders not confirmed within given deadlines or bills not paid on time.
- Some flowers may require partial or whole replacement in order to keep the entire keepsake looking uniformly attractive.
- Keepsake Floral will ship completed keepsakes using our carrier of choice.
